RE: 2939 Upper Valley Rd., West Sadsbury Township

Regarding the above-referenced property, this is to verify that the nonconforming use of a four-unit apartment building is "grandfathered" at that location.

This use may continue to exist. If at any time, however, the use is abandoned or discontinued for a continuous period of one year or more, the subsequent use of this property must be in conformity with the provisions of the Zoning Ordinance of West Sadsbury Township.

If you have any questions, please do not hesitate to contact me.
